AGENT'S NOTE

Our Clients are looking to convert this unit, which is currently run under management, into a tenanted or leased operation as they feel it is more suited to an "owner operator". All aspects of the letting will be negotiable, as quality of operator is vital in the current financial climate where funding for leasehold/tenanted businesses is often of limited availability.

(2) All statements contained in these particulars are made without responsibility on the part of the Agents or their Client, and no statement contained therein to be relied upon as a statement of fact. An intending purchaser must satisfy himself, by inspection or otherwise, as to the correctness of the particulars, which are issued on the understanding that should the property have been disposed of or withdrawn, no liability is acknowledged as to any expenses incurred and that all negotiations respecting the property are conducted through Messrs A W Gore & Co.
